## PRODUCT DEMONSTRATIONS - THE SAGE 200 SUITE

In times like these it is easy to forget that there is still plenty of business out there and the opportunity for growth remains. Sage 200 is designed to give your business the edge, to help you take a lead and to take the opportunities.

### This seminar will show you how Sage 200:-

- Is the leading accounting system in the market
- Provides a greater return on your investment
- Grows and flexes with your business
- Gives you the power and information you need to grow

### We will show you that Sage 200 can help you:-

- Improve cash flow
- Reduce costs
- Increase productivity
- Increase new sales

The Sage 200 Suite includes - Financials & Commercials - Project Accounting - Integrated CRM - Manufacturing - Business Intelligence - Workspaces - Mobile (iPhone & Blackberry)
